What people are saying...

What a relief to come across a program that preserves the dignity of the child, maintains the self control of both the parent and the child and is actually easy to remember when memory is the first thing to go!

I realised quickly that 1-2-3 Magic can be a magnificent preventative measure that any parent can use to avoid raising a child who later down the line, needs excessive discipline or grows out of control

Who is running it?

The presenter for this course is Deb Price who has completed Parentshop's 1-2-3 Magic[®] & Emotion Coaching practitioner training on 27 May, 2011.

Deb has been working as a Behaviour Support Consultant for the past 16 years in Sunshine Coast schools. She has also worked as both a classroom teacher and guidance officer for Ed Qld schools. Deb currently works across both Primary and High School in the Sunshine Coast Hinterland.
