

SCHOOL HOLIDAY ACTIVITIES AT GONDOR WRITERS CENTRE LANDSBOROUGH

Writing and Art fun workshops

No more bored kids!! A creative child is never bored.

Bring your children and teens to these workshops and help them develop their art and writing interest and skills so they are never bored.

With a Diploma in Graphic Art and a Masters degree in Creative Writing, popular author, Elaine Ouston will guide the students in writing a fun text and then teach them how to illustrate the scene. <http://www.elainejouston.com/>

Thursday April 5th and Thursday April 12th 8.30am to 4pm.

THEME FOR EASTER HOLIDAYS: FAN FICTION: Bring your favourite book and write a scene from the story. We will then create groups to act out your scene.

Students will receive writing workshops on story structure, character and story development and art lessons on drawing their scene.

The program is designed to keep them engaged, having fun, and learning. **Cost \$40 per day. Full program on the website. <http://www.gondorwriterscentre.com/school-holiday-programs.html>**

Drawing workshops with illustrator Kerry Ide

For children ages 8 - 15yrs 8.30 to 3pm.

For children who love to draw or who are looking to develop their drawing skills. They will spend a whole day exploring the world of drawing and illustration.

EASTER HOLIDAYS DATES: Tuesday the 3rd April: Exploring composition using storyboards.

Tuesday the 10th April: Character Design - People

Students will explore a variety of warm up exercises and will investigate the process of illustration through research, investigation and experimentation. The emphasis is on creating a visual story.
