*This beautiful property is open exclusively to support the Maleny HS Chaplain*

Welcome to the first Maleny High School Chaplain's Charity Ride and Come Try Day. We welcome all trail riders, especially first time trail riders and hope you enjoy the experience.

This event, as a fundraiser, is to support Mrs Donna Turner, in her new role as Chaplain at Maleny High and will assist in providing services and running programs for students.

We are very excited and grateful that a beautiful private property has been opened exclusively for this event which will appeal to horse riders and supporters.
