

2022, SEMESTER 1, PHYSICAL EDUCATION

NEWSLETTER

WELCOME BACK

Welcome to all of our new and returning families. 2022 has once again thrown us a curve ball but we are very excited about the upcoming events and activities related to sport at Maleny. This year I will be teaching both Health and Physical Education resulting in me being at the school full time. For those who are new to our school, I have been our PE teacher for over 10 years in a part time role, while working at Maroochydore State School as their PE Teacher. I am very excited to be back at Maleny full time and being able to be involved in interschool sport. This letter is just a little introduction as to what will be covered this semester in Physical Education.
