

****EXPRESSIONS OF INTEREST****

The Boys' Shed is a program I am in the process of getting started and hoping to run through the Men's Sheds. I am currently in consultation with a Men's Shed and my vision is to extend this to various Men's Sheds around the Sunshine Coast.

"My vision is to develop safe workshops for male youths where they have the opportunity to learn skills by engaging in projects that involve working practically with their hands, under the guidance of male mentors"
